

CONSENT FORM
PEPG Development Committee

, 2014

Dear Teacher,

A legislative amendment to Rule Chapter 180, which governs the development and implementation of Performance Evaluation and Professional Growth systems in all districts, calls for a system development committee composed of a majority of teachers, 1/3 of whom are endorsed by a majority of teachers in a district, 1/3 of whom are endorsed by the school board, and 1/3 of whom are endorsed by both. The provision permits existing committees that do not meet these requirements to remain in place provided that a majority of teachers in the district consent to keeping the committee intact.

Our district's development committee has been in place since _____.
