## 2016 Drinking Water Protection Seminar

*“It’s Not Just Lead and Copper,  
It’s Customer Engagement”*

Water quality issues and loss of customer confidence can and does happen in places other than Flint, Michigan. There are ways to engage your customers before, during and after these events. Doing so can make big events manageable and smaller events minor.

**Thursday, September 1, 2016**  
**Gov. Hill Mansion**  
**Augusta, ME**

**MWUA**  
Maine Water Utilities Association  
Organized 1925
