

FAQs specific to Adult Education supplement, and do not take the place of, the MDOE FAQs and attestations.

- 1) How was the adult education allocation determined?** The \$1 million for adult education was allocation based on the number of eligible learners enrolled in MaineSTARS as of March 13, 2020. Eligible learners are those enrolled in academic, English language acquisition, workforce training, and college transition programming.
- 2) What is the deadline to apply?** The application deadline is Wednesday, September 30, 2020.
- 3) Does adult education use the same application process as the SAU?** No. There is a separate adult education application and budget template that must be used.
- 4) If unobligated funds are available for reallocation, will adult education programs be able to apply for additional funds?** No. Adult education Coronavirus Funds will not be reallocated and must be spent by December 30, 2020.
- 5) What are the reporting requirements?** Please refer to FAQs #4 and #7.
- 6) Will the use of these funds impact the adult education subsidy?** No. Federal funds are not part of the state subsidy funding formula.
- 7) Will additional staff be counted in NEO? Can we count them differently?** Adult education staff are not included in NEO. However, for reporting purposes staff positions may need to be coded differently. If needed we will develop a protocol and provide information by September 30, 2020.
- 8) Will CTE Regions/Centers receive allocations?** CTE Centers will be included in their SAU allocation. A CTE Region with a standalone adult education program will be able to apply. CTE Regions administered by an adult education program will be considered in the adult education application.
- 9) May I backfill revenue lost from my program?** No. Lost revenue may not be recovered using these funds.
- 10) What happens if the application is incomplete when submitted?** The CRF adult education program director, Gail Senese will notify the Superintendent. Because of the software being utilized, the application may not be edited and the application will need to be redone.
