

## What will I see when I get a Sara Alert notice?

If you agree to using the Sara Alert reporting tool, you'll receive daily text messages asking for symptom reports.

- Each day you'll get a text from (844) 957-2721, which is the only number for Sara Alert.
- The text includes a weblink to the secure Sara Alert website where you can report your symptoms

- You could receive multiple links if multiple family members are close contacts
- The weblink will bring you to a list of COVID-19 symptoms:
