

McKinney-Vento School Homeless Liaisons

New Resource for School Districts: McKinney-Vento Community Regional Representatives

Through a new partnership with service providers statewide, funded by the American Rescue Plan Homeless Children and Youth state reservation, the Maine Department of Education (DOE) has contracted with the following organizations to provide county-specific support to schools for implementing the requirements of McKinney-Vento Act. These organizations include [New Beginnings](#), [Preble Street](#), [Shaw House](#), [Gateway Community Services Maine](#), and the [Maine Youth Action Board](#)

The Maine DOE will kick off this collaboration with virtual Regional Meetings to introduce, share available regional and statewide resources, and hold space to discuss the most pressing issues schools in Maine are currently facing with homelessness.
